Description

Niina Laitinen is one of the most popular knitting designers in Scandinavia. This stunning collection of sock designs is inspired by the four seasons.

Each of the 20 gorgeous patterns is accompanied by a beautiful description of the Finnish countryside that evokes the spirit of the Nordic seasons. The designs feature elements of nature in the shape of leaf patterns and beautiful lace and cable textures, to gorgeous colourwork featuring a geisha, a butterfly and heart patterns. They are knitted with the changing moods of the seasons in mind and include lightweight ankle-length designs for spring and summer, and heavier knee-length patterns for the colder winter weather.

All the patterns have detailed charts to follow and range in difficulty from easy to more complex designs suitable for more advanced knitters.
