Description

There's simply nothing more versatile than knitted shawls. They can be lacy or chunky, bright or neutral, cabled or just plain garter stitch, but they are always stylish and useful. Laura Strutt has designed 35 beautiful shawls and wraps, with something for everyone. Divided into Bright and Beautiful, Warm and Rich, and Neutral and Natural shades, the patterns use a complete rainbow of colours, including variegated yarns. The stitch patterns are just as diverse, with textured triangles, beaded lace stitches, and overlapping "waves". The warm garter stitch wrap in cool glacier blue is quick to knit even for a beginner. For more experienced knitters, there are larger projects such as the brioche-style shawl.
