Key Selling Points

- Clear step-by-step instructions teaching you how to master Bargello stitch
- Put your skills into practice with 17 colourful projects including cushions, lampshades, plant pots and bags
- Needlepoint is on the rise as people are looking for alternative mindful crafts to try.

Description

Master the colourful bargello stitch with 17 projects and learn how to incorporate it into your home.

Starting with the basics, Nerrisa Pratt introduces you to this iconic stitch, explores its historical roots and shows you how to grow in confidence so you can build up to creating your own designs. From cushions and lampshades to plant pot covers and bags, this craft is extremely versatile and can add instant colour and texture to any interior thanks to its graphic style.

About the Author

Nerrisa Pratt is a maker of all things. From sewing to baking, she always has a project on the go. As well as sewing her entire wardrobe, she runs a small baking business and regularly creates beautiful craft projects for brands such as Hobbycraft, IKEA, Cricut and The Range to name a few.

Nerrisa is the founder of Untld Project, a PR and marketing agency which supports creative, crafty and independent brands. They have worked with the likes of Tilly and the Buttons, Happy Fabric and Cricut. Inspired by fashion and interior trends, she recently set up the Bargello Edit which is a resource that hosts workshops and sells kits. She truly believes that craft is for everyone and doesn't need to be 'kitsch' or 'cute' and her personal mission is to make Bargello accessible and bring it into the modern home.
