### Description

**Over 35 gorgeous knitting projects that you'll love to make for the home, as gifts, and for yourself.**

Learn how to knit by working through these adorable projects by experienced knitter and author, Fiona Goble. The handy Tools and Materials chapter will teach you every stitch you'll need, all illustrated with helpful artworks, so even beginners will be able to pick up a pair of needles and get started. The projects are also grouped by skill level: Getting Started, Getting Better and Now You Are Really Good. In the first chapter, you'll find out how to make a cute cosy for your phone, a pretty heart garland to decorate your room, and a stripy cushion cover. Moving on to the next level, there are sweet woodland-themed key rings and simple table mats, as well as larger projects, such as the hot water bottle cosy and the book cover. Finally, try the patterns that are aimed at more experienced knitters, ranging from a delicate tea light shade and a draught excluder to a backpack and a throw. With easy-to-follow instructions and helpful tips throughout, you're bound to want to knit all of these projects, both for yourself and as gifts for friends.
