Description

Stay cosy with these gorgeous, colourful designs for knitters of all abilities!

A scarf, cowl or snood is one of the simplest and quickest things that you can knit. Whatever your skill level and however little spare time you have, Fiona Goble has a project for you. She has designed 35 scarves, cowls and snoods with something for everyone, from a snake scarf to a sparkly evening capelet and an extra-long 'college' scarf to a cowboy-style bandana for kids. Every project has full instructions for knitting and making up, but most will need little more than the sewing on of a button to finish them off and some can even be knitted in an evening. An added bonus is that many of the projects require only one or two balls of yarn, enabling you to use up your stash of leftovers from other projects.
