Description

If you want to draw cats but don't know where to start, this is the book for you!

10 Step Drawing: Cats will help you turn simple shapes into beautiful cat drawings in just ten steps. Each drawing starts with easy, geometric shapes and simple guide lines, and the cats are drawn in a variety of poses that typify the particular breed. Each drawing includes a helpful colour palette so readers can easily find the right colours to finish their drawing. There are even instructions for adding simple details to give each creature its own personality.
