Key Selling Points

- Visible mending is an exciting new trend that encourages people to mend their clothes rather than throwing them away
- Over 50 hand-stitched and darned examples organized by skill level
- Each project includes a photo of the stitched pattern, as well as step-by-step diagrams showing how to create it
- Suitable for all sorts of fabrics including denim, woven materials and knits
- Includes a range of geometric, grid-based patterns to looser, more nature-inspired designs.

Description

Clothing repair through visible mending is a movement that now has hundreds and thousands of followers, and Erin Eggenburg is one of the leading proponents.

Through her beautiful stitch designs, Erin shows you how to hand stitch or darn your clothes and other fabric items to mend them, rather than discard them.

The patterns are organized by skill level, from beginner to expert, and each project includes a photo of the completed, stitched pattern, as well as step-by-step diagrams showing how to recreate the design.

Comprising over 50 hand-stitched mending patterns, you can give worn clothes a new lease of life by using these beautiful designs to repair your clothes and other fabric items.

About the Author

Erin Eggenburg is a visible mending instructor and owner of wrenbirdarts, an online mending shop. Erin also hosts Mending Club, an online forum she created for visible mending enthusiasts, and has a blog that performs in the top 10 per cent of Shopify blogs. Erin has over 20K followers of her one-of-a-kind visible mending projects on Instagram @wrenbirdmends. She also has an Etsy shop, which you can find at wrenbirdarts.etsy.com. Erin lives in the Pacific Northwest, USA.
