**This revised and updated title is drawn from Katie Essam's successful *Layered and Stitched Pictures* in *The Textile Artist* series.**

Incorporating a new bonus project, this book showcases Katie's free machine embroidery techniques. Her fresh, modern style uses a unique combinations of traditional techniques, and in this book she shows how to create stunning textile art inspired by the beauty in everyday objects.

With eight projects and lots of finished artworks to spark creativity, this book teaches the reader how to draw inspiration from the animals, birds, gardens, beach huts and scenes that surround us all; and use that inspiration as fuel to create gorgeous stitched pictures.

### About the Author
