Focusing on tote bags, this beautifully presented, 96-page book contains easy-to-follow, step-by-step instructions for a wide variety of totes in a range of fabrics and styles. Included are two easy-to-use templates: durable, reusable, wipe-clean and perfect for fussy cutting, they make building a bag even easier.

The 15 tote bags are each made using different techniques, pockets, straps and fastenings to create 15 very different results. The templates can also be used for your own further design variations, and Debbie gives advice on how to adapt and create your own unique designs.
