Description

Master manga with 100 creatures, characters and super-cute chibis.

This is the ultimate introduction to drawing manga: 100 simple, step-by-step drawings of everything from superheroes to super-cute pets. Practise drawing different hair and facial expressions then create your own elaborate and colourful manga characters; draw up a battling universe of manga superheroes and villains; start your own collection of super-cute chibi chums.

Whether you're looking for inspiration or just getting started, professional comic creator Yishan Li will be your guide.

Every project is broken down into a handful of simple stages that lead you effortlessly through to the final coloured drawing. There are no written instructions to follow – just basic shapes and pencil strokes. Even if you've never drawn anything before, you will be amazed at how quickly you will achieve your own cute and characterful manga drawings!

This title contains content from two books in the *How to Draw* series: *Manga Heroes* and *Manga Faces*.
