Key Selling Points

- This is the first contemporary embroidery book focusing on raised stitches: how to do them and how to incorporate them into cool hoop art
- This book provides the reader with an inventory of stitches and knowledge of how to apply those stitches to 20 different projects, and includes iron-on transfer sheets in an envelope on the inside back cover
- Projects are categorised into three skill levels. Readers will gain confidence while they follow along with projects.

Description

A beginner's guide to modern raised stitches, *3D Embroidery* is a curated collection of over 30 raised embroidery stitches and techniques, taught within the context of 20 in-hoop embroidery projects. The patterns featured offer contemporary designs for today's modern maker.

With step-by-step guides, embroidery artist Ashley Dunn takes you on a pop-up journey and introduces you to the art of raised embroidery, identifying the materials needed for you to be successful, and including a directory of raised stitches and techniques.

This wonderful must-have collection is perfect for both newbies and seasoned stitchers looking to add new techniques to their stitching inventory.
