Embrodered Hoops

Materials:

- 15cm wooden embroidery hoops, 7.5 or 15cm (2 or 6 inch) size
- 12 x 12cm (4 1/2 x 4 1/2 inch) pieces of felt per hoop
- 2m (66 inch) length of ribbon per hoop
- 10cm (4 inch) length of floss ribbon per hoop

Tools:

- Fabric and embroidery scissors
- Embroidery needle
- Chalk
- Pencil

Instructions:

1 Place an embroidery hoop on top of a piece of felt and then around with a strip from chalk line. Remove the hoop and cut your felt about 3.5cm (1 1/2 inch) larger than the hoop.

2 On the outer side of the felt, draw the pattern you wish to embroder using a very fine pencil line. It must be a full circle with a hole in the middle. Follow the pattern for guidance or create your own pattern. It could be something very simple like lines crossing in the centre to form a star.

3 When you are satisfied with your design, open the embroidery hoop by unscrewing the tightening screw and draw the felt through the hole in the centre of the inner hoop as far as possible. Place the outer hoop on top with the tightening screw in the top. Push it down so it secures the inner hoop and stop the felt in between. Make sure the felt is stretched evenly and tighten up the screw to hold it in place.

4 You can now embroder your design following your pattern. Use only one colour of thread and make sure you use the same stitch. Simple stitches such as back stitch, fly stitch and French knots are the best choices.

5 Thread a piece of floss ribbon or fine ribbon into the tightening screw and be sure to make a hanging loop.

Instead of a ribbon you could use a cord or a piece of twine. It will be a little more difficult to use but it will be a lovely gift for a child or a young person.
