## Description

Jan Ollis has designed twenty different flowers, and each one is accompanied by an alternative in a different colour scheme. Full crochet instructions are given for each flower, together with lists of the materials and equipment needed. Each design is simply photographed so that crocheters can see the design clearly, and is also shown in a sumptuous styled photograph, showing the beautiful possibilities of the finished pieces, including brooches, and embellishments on hats, bags, sweaters, place mats, cushions, scarves and even shoes.
