Key Selling Points

- This is a must-have book for any EQ8 user
- Discover new tricks from EQ8 experts.

Description

This book will teach you to design with the most popular tools and features in the *Electric Quilt 8 (EQ8)* quilting design software. Learn EQ8 quilt-design secrets directly from the experts at the Electric Quilt Company. Each step-by-step lesson is like taking a class in your home. Perfect for EQ8 users at any learning stage – beginning, intermediate, or advanced. Increase your knowledge of the tools and features, discover new tricks to help make your creativity a reality, and then use all of this information as inspiration to plan and design your own amazing quilts!

This 136-page fully illustrated book has a convenient spiral binding that allows pages to rotate 360 degrees and lie flat. Written for EQ8 Windows and Mac users.

This book includes chapters on a wide variety of quilt designs, each teaching you many different features within the EQ8 software. Working through each chapter will help you increase your knowledge and understanding of EQ8 so you can design your own masterpieces!
