<b>SALES REGIONS</b>	Worldwide excluding North America

### Description

**A one-stop-shop for quilt pattern identification and inspiration, this fabulous book should be in every quilters' library!**

Barbara Brackman's classic quilters' resource, the *Encyclopedia of Pieced Quilt Patterns*, is fully modernized and updated with over 160 new blocks, and presented in full colour for the first time in this third edition! All of the 4,000+ pieced quilt block patterns found in this book are illustrated with both a line drawing and sample colour suggestions to ensure that you will never run out of inspiration! Quilters, quilt historians, and textile enthusiasts will love the detailed information on pattern names and publication sources included with each block pattern.

The book is easy to use in a multitude of ways: look up block designs by name to find a perfectly themed pattern, search by layout and construction information to find the name of the pattern in a historic quilt, or just browse the pages until your next quilting project catches your eye!

### About the Author

Barbara Brackman is a quilt historian and author from Kansas, USA. She's been fascinated by quilt patterns for over 40 years and could not rest until she'd indexed more than 4,000 pieced patterns for her *Encyclopedia of Pieced Quilt Patterns*. She was inducted into the Quilters Hall of Fame of Marion, Indiana in 2001 and is a founding member of the American Quilt Study Group.

Barbara writes regularly about quilt history and patterns on her blog *Material Culture* found at [barbarabrackman.blogspot.com](http://barbarabrackman.blogspot.com).
