Description

From the Sewing Bee's quilting supremo Stuart Hillard comes this book featuring 100 fabulous quilt designs. Every block featured is accompanied by a breakdown of the fabric scraps required, assembly instructions and a detailed illustration of the finished block. Each of the 100 blocks can be used to make one of Stuart's quilt designs. Alternatively, any of the block patterns can be adapted and combined by quilters; they can personalise treatments, colours and arrangements, add extra borders, wider sashings and more, to design and sew their own unique quilts.
