Description

Crochet remains extremely popular among young crafters, with more and more people taking it up. This book is aimed at complete beginners, with step-by-step techniques and easy, fun projects for crocheters of all abilities. The team behind *Mollie Makes* magazine have brought together all their favourite crochet designers to share their tips, stories and beautiful projects.

The beginner's section starts with a run-through of the basic tools and equipment you'll need, as well as a handy guide to choosing yarn. Once you're ready to start, learn the best way to hold your hook, and make your first chain!

Choose from a range of clear, simple projects, specially designed for beginners. Make a gift for a loved one with patterns for a monster gadget cover, bouquet of woolly flowers or a cute set of Russian dolls. Bring your home up-to-date by making an ontrend bolster, chair runner or embrace that granny-chic look with a set of retro potholders.
