Description

From the initial design process, through to the carving of the block, the mixing of the colour and the actual printing process, Molly has always found printing to be meditative.

This book enables readers to explore this ancient craft through Molly's contemporary designs and the influences that inspire her use of pattern and colour, before teaching them practical skills and potential ways to transform their creations into beautiful homeware.

About the Author

Molly Mahon set up her eponymous company in 2015. Molly designs and creates beautiful and original fabrics, wallpapers and functional art pieces for the home. Her designs are inspired by her surroundings, both at home in Sussex and on her travels in India where she works with artisan craftspeople. With her love of home always in her mind she creates pieces to enhance interiors and make beautiful, joyful spaces. Molly runs regular sell-out workshops around the country and has a growing social media following (currently over 31K followers on Instagram).
