Description

Have fun at the farm with this new collection of minis from Kerry Lord and her *Edward's Menagerie* animals. This is one of the new gift series from TOFT, which contains 25 crochet patterns.

These mini animals are quick and easy to make so they are perfect for the beginner as well as giving the more advanced crocheter an afternoon's fun. The book is organized so you start with the easiest pattern and, as you grow in confidence, you continue through the book, mastering the art of crocheting animals, from the little chick to the fluffy sheep, producing high-quality collectibles to keep or give as thoughtful, homemade gifts.

This range of mini animals are totally new patterns for fans, new and old, to get hooked on. Sitting at 8cm (3 inches) tall, you can make your own cute collection, which could be used to create a nursery mobile, a board game, key rings and much more! Whether you're in front of the TV, commuting to work or having a relaxing afternoon, these projects are perfect for bringing mindfulness and creativity into your day.
