### Description

Channel the magic of the *Harry Potter* films from the screen to your needles with the ultimate knitter's guide to the Wizarding World. Featuring over 25 magical knits, the book includes patterns for clothing, home projects and keepsakes pulled straight from the movies – and even includes a few iconic costume pieces as seen on-screen! With yarn suggestions based on the true colours used in the films, projects ranging from simple patterns like the Hogwarts house scarves to more complex projects like Mrs. Weasley's Christmas sweater, why not knit your own Wizarding World?
