Key Selling Points

- Promotes the idea that working creatively with your hands is a very mindful exercise with concentration on the present and the focus on the shape, grain and smell of the wood
- Carving your own kitchen tools is also a very sustainable craft bringing an individual touch to your home
- This is a beautiful lifestyle book that taps into the movement of reconnecting with 'forgotten' crafts and hobbies.

Description

***Carving Kitchen Tools* is the beginning of your woodworking journey and is a practical guide to creating your own beautiful utensils.**

From the all-important wooden spoon to butter knives, salad servers and spatulas, Moa Brännström Ott shows you how to create kitchen implements that will bring individuality and personality to your home. As well as this, *Carving Kitchen Tools* explores the variety of different woods, their properties and the whittling techniques to which they are most suited. With step-by-step instructions to illustrate the correct grips for knife and wood, tips on how to source your wood and details on the tools you need, this book is the perfect guide to this surprisingly simple and mindful craft.

Projects include: butter knives, frying utensils, straight spoons, curved spoons, salad servers and Kuksa cups

About the Author

Moa Brännström Ott is a Swedish cabinetmaker who has whittled since her childhood. Moa has a diploma in cabinet-making from Capellagården, Sweden, and is also the author of *Wood: Carpentry Handbook for Interiors and Gardening*.
