### Description

From field to forest and stream to sky, capture the harmony and beauty of the natural world with just some paper and a craft knife. This beautiful book includes step-by-step instructions for 20 exquisite nature-themed papercut projects designed by papercutting artist Georgia Low.

A well known figure in the world of papercutting, Georgia's artwork has received international recognition and gained an online following of over 27,000 Instagram followers – and now she's sharing her designs with you.

With projects including greeting cards and party decorations, framed artwork and paper flowers, you can fill your life with idyllic pastoral scenes, cute creatures, and lush florals. The book is suitable for papercutters of all levels, and contains all the information and guidance you need to get started. Each project also comes with a template to cut out, trace, or download so that you can recreate your own stunning works of art.
