Main Description

The Sewing Room Sampler combines two of Yoko Saito's favorites: blocks featuring traditional quilting motifs, such as stars and houses, plus one-of-a-kind sewing-themed appliqué designs. You can use the block and appliqué designs individually, or combine them to create this quilting masterpiece. This quilt makes the perfect decoration for a sewing room or home of a fellow quilter. Step-by-step color instructions illustrate how to piece the 16 blocks together and assemble the quilt. Full-size templates of the appliqué motifs are included on pattern sheets.
