Description

With *Hello Origami*, you'll learn fun and easy ways to transform boring old paper into adorable designs that you can use to send secret notes and special messages; fold fun shapes, such as hearts, flowers and ice cream cones; use papercraft techniques to create festive gift tags, greeting cards, bookmarks and more. You can use pretty origami paper, or learn how to embellish notebook paper, sticky notes and envelopes with gel pens, markers and highlighters and washi tape for a custom look. Author and artist Mizutama provides endless inspiration for finishing your handmade cards with cute doodles and pretty lettering. With a few simple folds, you can create one-of-a-kind greeting cards, notes and decorations that are sure to brighten anyone's day.

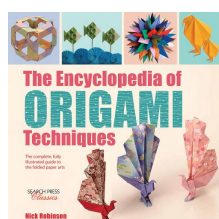

Key Selling Points

- Author Mizutama suggests tools and materials to use, washi tape instructions and folding basics
- Create original paper designs from love notes and flowers to bows and gift boxes
- Origami is increasing in popularity amongst crafters and is considered to be the growth area for craft in 2017

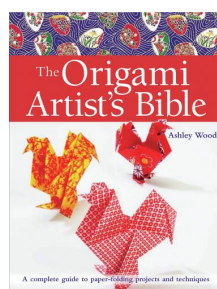

About The Author

In 2005, Mizutama began her career as a stampmaker. She is the author of several illustration, stampmaking and origami books in Japan and her designs are used for a variety of products, including stationery and washi tape. Check out her website at mizutamahanco.com
