## Description

Beloved Japanese embroidery artist, Yumiko Higuchi's freshest collection of motifs, is showcased here on a variety of purses, wallets, and bags.

Inside, you'll find an assortment of simple, folk-inspired floral and animal designs stitched in Yumiko's signature style, as well nine lovely bag patterns inspired by the motifs. Beautiful step-by-step photos clearly explain Yumiko Higuchi's favourite techniques for sewing bags, installing metal purse clasps, and making pompom and tassel embellishments.

Use these lovely embroidery motifs to make stunning, one-of-a-kind bags, or be inspired to design your own unique projects.
