Description

Are you interested in using Copic markers to take your art to the next level? Learn all about Copic marker colouring techniques from professional manga artists who know all the tricks of the trade!

Considered the cream of the crop when it comes to markers, Copic are beloved by artists around the world for their smooth and vibrant colours. If you're new to the markers, there's no need to be intimidated when you have this informative guide with you every step of the way! You'll start off by learning basic techniques, including blending, mixing, and layering colour. Next, you'll discover how to use Copic markers to create texture when colouring skin, hair, clothing, and scenery.

Dozens of illustrations from talented manga artists are broken down into step-by-step instructions, allowing you to implement the same colouring techniques in your own work. Along the way, you'll find countless tips and tricks for getting the most out of your markers – you'll even learn how to fix mistakes!

About the Author

SHIN developed an interest in art and drawing manga while attending college. Shin lives in Japan.

Yue is a game illustrator who resides in Sapporo, Japan. You can find her on Instagram: @y_u_e.

Maripori loves drawing girls and other cute stuff using Copic markers. She enjoys participating in illustration exhibitions and events. You can find her on Instagram: @ppppppori.

Suzu Kawana is a Tokyo native known for her colourful artwork using Copic markers. She excels at capturing and expressing the emotions of teenage girls and has even created her own character hana*. You can find her on Instagram: @spicaboy.

Ramiru Kirisaka is inspired by Japanese myths and ancient history, and she incorporates these elements into her fantasy world artwork. In addition to illustrating children's books, she participates in Copic marker demonstrations.
