### Description

Following the success of *Beautiful Botanical Embroidery*, Japanese embroidery artist Alice Makabe explores and celebrates her love of pattern through floral embroidery. Organized by season, you'll find soft, muted motifs to embroider in springtime, refreshing patterns for summer, warm, rich color combinations for autumn and bold, vivid hues to brighten up the winter. In addition to over 20 floral motifs, the book also includes instructions for ten embroidered projects, such as purses, brooches, drawstring pouches, sachets, and bookmarks.

### About the Author

Alice Makabe is an embroidery artist and writer who resides in Tokyo, Japan. She makes an effort to stitch every day as a way to capture the special moments and joy of the season. Follow her on Instagram @alice\_makabe, where she has over 86k followers.
