Price	£17.99
ISBN	9781940655161
Format	Paperback / softback 254 x 203mm
Extent	128 pages
Illustrations	170 Illustrations, color
Publisher	Lucky Spool Media
Classification	WFBQ
Territories	UK & Europe

Main Description

The HST is a workhorse block unit that can be used to make beautiful, timeless quilts. This book shows you the multiple methods for making them (from the slow to the speedy) and combines HSTs with other pieced blocks that complement the triangle blocks. The book is organized into four main sections: patterns that feature Color, Scale, Patchwork Play and, finally culminating with a chapter on Half-Square Triangles only. This final chapter features an inspirational index of over 12" 60 HST block designs and encourages the reader to design their own quilts using a single block or combining a few.

Key Selling Points

- HSTs are one of the most-loved basic quilt making blocks
- 12 quilts from the beginner-friendly to the complex and an index of 60 mix and match blocks
- From popular lecturer, pattern designer and fabric designer, Jeni Baker

Author

Jeni Baker is a fabric designer for Art Gallery fabrics as well as a well-know pattern designer. She lectures nationally on the art of quilt making with a focus on exploring effective color choices, one of the most challenging areas for quilters. She lives in Madison Wisconsin with her bunny, George.
