## Description

Follow Jenni Smith as she's granted rare access to the Liberty design studio and historic archives, and celebrate the iconic designs that have made Liberty London one of the world's most iconic fabric manufacturers. Liberty London opened in 1875 and has been producing exquisite fabrics and designs for over 140 years.

In this book there are 15 projects with a complete fabric design history of Liberty as well as a full colour reference index for every fabric used. Featuring beautiful details of the classic fabric designs produced over the years, each quilt will inspire readers to finally cut into those precious bits of fabric and begin enjoying them in pieced projects of their very own.

The hardback book comes in a gorgeous hardcover textured linen slipcase in beautiful Liberty fabric. It's an ideal gift for anyone who is a fan of Liberty or British design. This is the first quilting book to be an official partnership with Liberty.
