### Description

*Sweet & Simple Needle Felted Animals* provides detailed instructions to create your own cute and cuddly collection of needle felted pets, barnyard buddies and mascots. These adorable furry figurines make wonderful gifts and accessories that you can carry around or wear. This DIY felting book includes step-by-step instructional colour photos and texts that couldn't be easier to follow. It shows you how to make the basic shape, attach the components, add the details and then attach findings to make accessories. Projects include a playful kitten, a sweet miniature dachshund puppy, a pair of perky white bunnies and a trio of brightly-coloured parakeets.

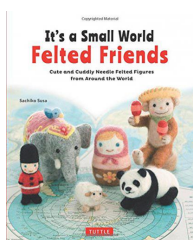

### Key Selling Points

- As well as animals, crafters can make a host of little mascots and charms
- Beginners will find the section on tools and materials especially helpful
- Sachiko's books have been translated into several languages.

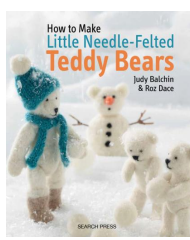

### About The Author

Sachiko Susa is a master felter and prolific designer of stuffed toys, specialising in expressive little animals both realistic and novel. She has taught and published extensively in her native Japan. Her numerous books have been translated into French, Chinese and other languages. She is the author of *It's a Small World Felted Friends*. Visit her at [www.susa3203.com](http://www.susa3203.com)
