## How to place an Order

Here at Search Press we are delighted to receive orders in any shape or form, anything from an organised spreadsheet to a note scribbled on the back of an envelope is acceptable provided that the title and quantity is clear... **BUT**, if you would like some guidelines, our preferred methods are listed below:

### → Use the Website: [www.searchpress.com/trade](http://www.searchpress.com/trade)

This is by far the quickest and most accurate way to place an order. If you have not used our website before, you will just need your **account number** and your **email address** to activate your account. We will keep a track of your "favourites", so each order you place will get quicker and easier, and you will also be kept up-to-date with our latest titles and see our current bestsellers.

### → Download the Order Form as an Excel Document

Our current order form is available in Excel format. Download it from [www.searchpress.com/trade](http://www.searchpress.com/trade) under **Info to Download**. Once completed, email this through to [sales@searchpress.com](mailto:sales@searchpress.com)

### → Email the order to [sales@searchpress.com](mailto:sales@searchpress.com)

You may already have a bespoke ordering system. If this is the case, just email the order in any form you find suitable to [sales@searchpress.com](mailto:sales@searchpress.com)

### → Annotate the Order Form PDF and return by Email

For the technically minded: download a copy of the order form from our website (see above) and annotate the PDF with your requirements. This can be done in Adobe Acrobat using the Add Text Comment tool in Annotations, or by using Add Text Box in Drawing Markup. Of course, these instructions will vary according to which version of Acrobat you are using. Attach the PDF to an email and send to [sales@searchpress.com](mailto:sales@searchpress.com)

We find carrier pigeons a little unreliable, and the dogs are not particularly keen on them, but they are still welcome...
